Pilot too meets Sonia Gandhi to fast-track Rajasthan reshuffle

Party will make a decision very soon, says Sachin

OUR BUREAU New Delhi

Former Rajasthan Deputy Chief Minister and ex-state Congress chief Sachin Pilot (44) on Friday met Congress President Sonia Gandhi, a day after Chief Minister Ashok Gehlot (70) met her for a Cabinet rejig.

Both left the decision on her regarding the Cabinet reshuffle, for which Pilot is waiting for over a year after his group revolted against Gehlot. He is pressing for accommodation of his supporters in the Congress government and the government corporations, 18 of whom had revolted with him against Gehlot last year.

"We are all Congress. There is nothing you and me. There are few vacancies in the state cabinet. All factors will be considered by the high command in filling these vacancies," Sachin Pilot told reporters after the 45minute meeting.

"Elections are due in two years. Usually alternative governments come to power in Rajasthan. We are working to strengthen the party to return to power in 2023," he added.

Speculation is that four or five MLAs of Pilot group are likely to be inducted in the Gehlot cabinet and three seniors dropped since they have been assigned the party responsibilities. Those likely to be ousted are Ra-

jasthan Congress president and tourism and education minister Govind Dotasra (57), Health Minister Dr Raghu Sharma (63), who has been made AICC in-charge of Gujarat and Revenue Minister Harish Chaudhary (51), who has been made AICC in-charge of Punjab vice Harish Rawat relieved to focus on the Uttarakhand Assembly

elections due in February. "The party high command will decide on the cabinet reshuffle in Rajasthan. We want good governance to continue in the state," Gehlot had told reporters here after his meeting with So-

nia Gandhi on Thursday. The leadership had wanted Gehlot to carry out the muchawaited Cabinet reshuffle before Diwali, but he chose own time to land in Delhi at a time former Congress president Rahul Gandhi is away in Italy. Rahul is angry with him since he has been defying his diktats to patch up with Pilot, refusing to even meet him on October 16 when he was in the national capital to attend a Congress Working Committee (CWC)

meeting. Gehlot's perception is that Sonia would take independent decision as he fears Rahul Gandhi and his sister Priyanka Gandhi Vadra may otherwise influence her for favourable decison for their pal Pilot.

Terrorist planning suicide attack gunned down

The two terrorists killed in an encounter in the Chawalgam area of South Kashmir's Kulgam district had refused to surrender that triggered the encounter, officials said on Friday.

The Army said on Thursday an input was received from the Kulgam Senior Superintendent of Police (SSP) about the presence of two unidentified terrorists in the general area of village Chansar near Chawalgam. A cordon and search operation was launched by the Indian Army, Jammu and Kashmir Police and CRPF.

"Swift reaction by the security forces ensured that the terrorists were quickly isolated in a house in the village, while other civilians were evacuated out of harm's way.

"Appeal for surrender was made by the security forces, which went unheeded. Intermittent exchange of fire between the terrorists and security forces ensued throughout the night. "At first light on November 12..., the security forces launched a deliberate operation to flush out the terrorists and by 8.30 a.m. both terrorists were neutralised. One AK-47, one pistol and other war-like stores were recovered from the encounter site," the Army said.

CHIDAMBARAM'S DIG AT CENTRE

'We have become a less cash economy'

NEW DELHI: Senior Congress leader P Chidambaram on Friday attacked the Modi government over demonetisation and raised questions over its goals, pointing to the 'rise' in cash in circulation.

"Five years after the infamous demonetisation, what is the status of

the lofty pronouncements of the Modi government," he asked on Twitter. "Mr (Narendra) Modi first said that

we must become a cashless economy! Within days he realized it was an absurd goal. He modified the goal to a less-cash economy! At the time of demonetisation, cash in circulation was

about 18 lakh crore. Today, it is 28.5 lakh crore!" he tweeted.

"Thanks to high unemployment and inflation, the poor and the lower middle class earn less cash and spend less cash. We have indeed become a less cash economy! Three cheers!" the former finance minister said.

Congress has 'pathological hatred' for Hinduism: BJP

NEW DELHI

Claiming that the Congress leadership nurses a "pathological hatred" for Hinduism, the BJP on Friday said it is at Rahul Gandhi's behest that leaders such as Salman Khurshid, Shashi Tharoor and P Chidambaram have targeted the religion.

Hitting out at the former Congress president for his criticism of Hindutva, BJP spokesperson Sambit Patra alleged that Gandhi has a history of making critical comments about Hinduism and its culture.

It is in the character of the Congress and the Gandhi family to attack Hinduism at every opportunity, he said.

Patra's attack on Gandhi came after the Congress leader sought to draw a distinction between Hinduism and Hindutva, a term widely used by the RSS, and alleged that the RSS-BJP ideology was about spreading hate.

Citing terms like Hindu Pakistan, Hindu Taliban and safHinduism & Hindutva are different: Rahul

After a controversy erupted over remarks made by senior Congress leader Salman Khurshid in his new book 'Sunrise Over Ayodhya: Nationhood in Our Times', the Congress seems to have got into more trouble with Rahul Gandhi saying that Hinduism and Hindutva are different things. Speaking virtually at a party function he said, "Is there something common between Hindutva and Hinduism, what is the difference between Hinduism and Hindutva. If they are the same why they have different names -- why then use name of Hinduism, and not Hindutva." He asked "is there something common between what Guru Nanak, Kabir, Gandhiji and King Ashoka said about the Hindutva ideology? The difference between Hinduism as we know it & Hindutva? Are they same thing? Can they be same thing? They are obviously two different things."

fron terror used by Congress leaders Tharoor and Chidambaram, the BJP leader said they make these remarks at Gandhi's behest. He also referred to Digvijay Singh and Mani Shankar Aiyar in this context.

"What they say is not a coincidence but an experiment. And the headmaster of this experimental lab is Rahul Gandhi.... There is a pathological hatred for Hinduism among Congress leaders, and they get traction for this from the Gandhi family," he alleged.

Patra also referred to a comment of Rahul Gandhi, which had found a mention in the WikiLeaks in 2010, that Hindu extremist groups could pose a bigger danger to India than Islamic terror organisation and some other remarks to attack him. Gandhi had linked atrocities against women to Indian culture, he claimed.

Police have greater role in border management: Doval law and order in every part of

HYDERABAD

Besides maintaining law and order, police forces have a greater role in border management spanning over 15,000 km covering Pakistan, China and Myanmar and Bangladesh with which India has security-related issues, National Security Advisor Ajit Doval said on Friday.

Speaking at the passing out parade of the 73rd batch of IPS probationers at the Sardar Vallabhbhai Patel National Police Academy (SVPNPA) here, Doval said India's sovereignty goes as far as the last police station's jurisdiction from the coastal areas

to the border areas.

after the Punjab Assembly adopted a resolution against the Centre's notification that extended the jurisdiction of the Border Security Force, calling it an "insult" to the state police and

The Union government had last month amended the BSF Act to authorise the border guarding force to undertake search, seizure and arrest within a 50 km stretch, up from the existing 15 km, from the international border in Punjab, West Bengal and Assam.

Doval's observation came a day

seeking its withdrawal.

He further said maintaining

the 32 lakh sq km of India is the responsibility of police forces.

"Not only the policing about which you (IPS officers) have been trained well. But it will extend. You will be responsible for border management of this country. 15,000 km of the border, most of it has got peculiar problems of its own," he added.

"There is a border in Pakistan with China or Myanmar or Bangladesh. We have got different types of security related issues which are manned by the police and the central police organisations which are manning these borders," Doval said.

'We have become a less cash economy'

NEW DELHI: Senior Congress leader P Chidambaram on Friday attacked the Modi government over demonetisation and raised questions over its goals, pointing to the 'rise' in cash in circulation.

"Five years after the infamous demonetisation, what is the status of

the lofty pronouncements of the Modi government," he asked on Twitter. "Mr (Narendra) Modi first said that

we must become a cashless economy! Within days he realized it was an absurd goal. He modified the goal to a less-cash economy! At the time of demonetisation, cash in circulation was

about 18 lakh crore. Today, it is 28.5 lakh crore!" he tweeted.

"Thanks to high unemployment and inflation, the poor and the lower middle class earn less cash and spend less cash. We have indeed become a less cash economy! Three cheers!" the former finance minister said.

Congress has 'pathological hatred' for Hinduism: BJP

NEW DELHI

Claiming that the Congress leadership nurses a "pathological hatred" for Hinduism, the BJP on Friday said it is at Rahul Gandhi's behest that leaders such as Salman Khurshid, Shashi Tharoor and P Chidambaram have targeted the religion.

Hitting out at the former Congress president for his criticism of Hindutva, BJP spokesperson Sambit Patra alleged that Gandhi has a history of making critical comments about Hinduism and its culture.

It is in the character of the Congress and the Gandhi family to attack Hinduism at every opportunity, he said.

Patra's attack on Gandhi came after the Congress leader sought to draw a distinction between Hinduism and Hindutva, a term widely used by the RSS, and alleged that the RSS-BJP ideology was about spreading hate.

Citing terms like Hindu Pakistan, Hindu Taliban and safHinduism & Hindutva are different: Rahul

After a controversy erupted over remarks made by senior Congress leader Salman Khurshid in his new book 'Sunrise Over Ayodhya: Nationhood in Our Times', the Congress seems to have got into more trouble with Rahul Gandhi saying that Hinduism and Hindutva are different things. Speaking virtually at a party function he said, "Is there something common between Hindutva and Hinduism, what is the difference between Hinduism and Hindutva. If they are the same why they have different names -- why then use name of Hinduism, and not Hindutva." He asked "is there something common between what Guru Nanak, Kabir, Gandhiji and King Ashoka said about the Hindutva ideology? The difference between Hinduism as we know it & Hindutva? Are they same thing? Can they be same thing? They are obviously two different things."

fron terror used by Congress leaders Tharoor and Chidambaram, the BJP leader said they make these remarks at Gandhi's behest. He also referred to Digvijay Singh and Mani Shankar Aiyar in this

context. "What they say is not a coincidence but an experiment. And the headmaster of this experimental lab is Rahul Gandhi.... There is a pathological hatred for Hinduism among Congress leaders, and they get traction for this from the

Gandhi family," he alleged. Patra also referred to a comment of Rahul Gandhi, which had found a mention in the WikiLeaks in 2010, that Hindu extremist groups could pose a bigger danger to India than Islamic terror organisation and some other remarks to attack him. Gandhi had linked atrocities against women to Indian culture, he claimed.

HYDERABAD

Besides maintaining law and order, police forces have a greater role in border management spanning over 15,000 km covering Pakistan, China and Myanmar and Bangladesh with which India has security-related issues, National Security Advisor Ajit Doval said on Friday.

Speaking at the passing out parade of the 73rd batch of IPS probationers at the Sardar Vallabhbhai Patel National Police Academy (SVPNPA) here, Doval said India's sovereignty goes as far as the last police station's jurisdiction from the coastal areas

to the border areas.

The Union government had last month amended the BSF Act to authorise the border guarding force to undertake search, seizure and arrest within a 50 km stretch, up from the existing 15 km, from the international border in Punjab, West Bengal and Assam.

Doval's observation came a day

after the Punjab Assembly adopted a resolution against the Centre's notification that extended the jurisdiction of the Border Security Force, calling it an "insult" to the state police and seeking its withdrawal.

He further said maintaining

law and order in every part of the 32 lakh sq km of India is the responsibility of police forces.

"Not only the policing about which you (IPS officers) have been trained well. But it will extend. You will be responsible for border management of this country. 15,000 km of the border, most of it has got peculiar problems of its own," he added.

"There is a border in Pakistan with China or Myanmar or Bangladesh. We have got different types of security related issues which are manned by the police and the central police organisations which are manning these borders," Doval said.
