BJP MP Tejasvi Surya on Thursday took a sortie in HTT-40, India's indigenous basic trainer aircraft at the ongoing Aero India-2025 here.

He flew in the aircraft, designed and built by Hindustan Aeronautics Limited (HAL), for 30 minutes. Speaking to media, the BJP MP lauded HAL, calling it pride of Bengaluru and pride of India and a symbol of India's aeronautical progress.

According to him, this particular aircraft has a very interesting and important story, a legacy, a lesson for people of India who are interested in the nation's progress and national security.

He alleged that in 2012 the UPA government placed an order to procure trainer jets from a Swiss company and purchased Pilatus aircraft.

"This procurement was riddled with questions and in 2019 a CBI inquiry proved that there was an involvement of middleman. Indian companies like HAL were not given prominence and the transaction was opaque. The investigation led to blacklisting of this Swiss company. The entire process led to indigenous trainer aircraft manufacturing project suffer tremendously. The project was almost shelved," he said.

Shiv Sena (UBT) received yet another blow after a three-term legislator Rajan Salvi, who lost the 2024 Assembly elections from the Ratapur constituency in Konkan region, on Thursday joined the Eknath Shinde-led Shiv Sena.

## Nitish to be NDA face again in Bihar polls?

IANS  
NEW DELHI

The NDA will fight the upcoming Assembly elections in Bihar under the leadership of Chief Minister Nitish Kumar, BJP sources said here on Thursday, putting to rest speculation over a possible new CM face for the October-November polls.

The decision to fight the election under Nitish Kumar's leadership sets the tone for the NDA to step up its preparations, mounting pressure on rivals by project unanimity in the ruling camp over its Chief Minister candidate, said party sources.

Bihar elections have come into focus soon after the BJP's victory in Delhi Assembly elections with the

NDA targeting to win 225 in the 242-member Assembly.

In the 17th Bihar Legislative Assembly, the NDA has a majority with 125 out of the 243 seats. The Rashtriya Janata Dal (RJD) is the single largest party with 75 seats followed by the BJP with 74 and the Janata Dal (United) with 43 seats.

Chief Minister Nitish Kumar has already gone into election mode with the launch of his 'Pragati Yatra' to review development works and inaugurate and lay the foundation stones for various development projects across multiple departments.

ITANAGAR

Tawang district in Arunachal Pradesh has been experiencing heavy snowfall since Tuesday evening, throwing life out of gear in the border district.

The entire district has been covered under a thick blanket of snow, district officials said.

While snowfall is not uncommon in the region, the prolonged and heavy nature of this spell has led to disruptions in essential services, including electricity, water supply, and communication.

Uprooted trees and the accumulation of thick snow on power and communication lines have caused service disruptions in some areas. Although most shops remained open, footfall is low as residents step out only to purchase daily necessities.

BJP MP Tejasvi Surya on Thursday took a sortie in HTT-40, India's indigenous basic trainer aircraft at the ongoing Aero India-2025 here.

He flew in the aircraft, designed and built by Hindustan Aeronautics Limited (HAL), for 30 minutes. Speaking to media, the BJP MP lauded HAL, calling it pride of Bengaluru and pride of India and a symbol of India's aeronautical progress.

According to him, this particular aircraft has a very interesting and important story, a legacy, a lesson for people of India who are interested in the nation's progress and national security.

He alleged that in 2012 the UPA government placed an order to procure trainer jets from a Swiss company and purchased Pilatus aircraft.

"This procurement was riddled with questions and in 2019 a CBI inquiry proved that there was an involvement of middleman. Indian companies like HAL were not given prominence and the transaction was opaque. The investigation led to blacklisting of this Swiss company. The entire process led to indigenous trainer aircraft manufacturing project suffer tremendously. The project was almost shelved," he said.
